Memorandum: City of Alameda Health Care District  
Board of Directors

From: Debi Stebbins  
Executive Director

RE: **FY 2021-2022 District Priorities**

**Recommendation:** The following District priorities for the work plan and budget for FY 2021-2022 are presented below for Board review, input and approval:

### **ADVOCACY**

Provide active input/support for the modification or amendment to the current 2030 seismic requirements as provided for in SB 1953

Work proactively in lobbying and communicating the positions and strategies of both the Association of California Health Districts (ACHD) and the California Hospital Association (CHA)

Communicate District positions to local and state elected officials and other interest groups, including presentations to the community at large

### **RELATIONSHIP BETWEEN AHS AND THE DISTRICT**

Seek opportunities to educate new AHS Board on the rationale and history of the terms of the Joint Powers Agreement

Reconstitute the Joint AHS District Seismic Planning Committee to address both strategy for complying with or modifying 2030 standards as well as exploring feasibility of facility development at Alameda Hospital

Evaluate new program opportunities with AHS leadership that would enhance the effectiveness of Alameda Hospital in meeting community needs and contribute to the success of AHS as a system.

Works with the Joint Strategic Planning Committee to ensure that Alameda Hospital retains and develops an optimal array of inpatient and outpatient services that meet the health care needs of the community and the AHS system.

## **COMMUNITY ADVISORY COMMITTEE**

Establish a District Community Advisory Committee comprised of Alameda leadership (residents, business and government leaders) in order to:

Educate community leaders on the trends and issues confronting health care delivery in Alameda and the Bay Area

Obtain community input on existing and potential programs and services

Discuss how post-pandemic changes may impact the structure and priorities for health care delivery

## **SUPPORT FOR ALAMEDA COMMUNITY PARAMEDICINE PROGRAM**

Participate in efforts to increase the effectiveness of coordination between the paramedicine program and AHS management to improve metrics on repeat use of services by at risk citizens and reduced length of stay and readmissions

Seek sources to augment District funding for the program in FY 2022 and beyond
